WILL EARLY RECOVERING FROM INJURYS RECEIVED WHEN RUN OVER BY CAR

Bill Early, who was knocked down and run over by an automobile driven by G. Lee Mc-

Glasson, county court clerk, one day last week, is getting along nicely. Mr. Early was standing beside another car with its engine running, and could not hear the approaching car and stepped backward just as the passing car reached him, the fender striking his leg. Besides several minor bruises, he sustained a badly sprained ankle, which has caused him a great deal of suffering. The accident was unavoidable, and occurred in front of the parage. His many friends are hoping to see him up and going again soon.
